MEMORANDUM FOR: Deputy Director for Support

SUBJECT : Executive Interchange Program

1. Mr. Joseph McCullen phoned me to express the appreciation of members of the Executive Interchange Program for our briefing session with them on 24 March. They said they had been very favorably impressed by our willingness to receive them and the frankness of the answers to the questions they raised. I said we had been equally favorably impressed by the quality of the questions and the attention given by the group. We agreed that it would be advisable to make the visit an annual event.

2. Please thank the various elements in OTR and others who helped put on the affair. I think it was and will be useful to us.
